

NEW YORK STATE JP MORGAN CHASE Non-Employee Travel (NET) CARD APPLICATION

Your use of a **NYS JP Morgan Chase (JPMC) NET Card on behalf of the University at Buffalo (UB)** is subject to the following terms and conditions:

1. You are being entrusted with a valuable tool, a NYS JP Morgan Chase Net Card, which is to be used for airfare purchase for non-UB employees only (e.g. candidates, guest speakers). Because you will be making financial commitments on behalf of the State of New York, you must strive to obtain best value for the State by following established travel policies. All purchases placed on these cards are the sole responsibility of the cardholder until proper expense documentation is approved and authorizations take place. Unauthorized transactions must be reimbursed by the card holder and may lead to disciplinary action.
2. All charges made to your credit card will be posted to a central bill by JPMC and charges automatically made to the account listed on the application below. Charges appear in OEC code 4899 and will be listed as NET card charges mm/dd-mm/dd/yy approximately on the 15th of each month. You will **not** receive a bill from JPMC but you must review the charges online and reconcile the card monthly using the monthly transaction summary form provided to you during training. Failure to reconcile monthly may result in revocation of your travel card.
3. You may use the **Net Card** when paying **non-employee airfare** expenses while **they** are on Official State business. You may **not** use the credit card for personal charges or for procurement purposes. Documentation of the Official State business being conducted must be attached to the monthly transaction summary form and remain available for audit. UB and the NYS Office of the State Comptroller may audit the use of your card at any time and take appropriate action on any discrepancies or unauthorized charges. Any evidence that your card has been used fraudulently will require an investigation, after which disciplinary action may result. Fraudulent use may also result in criminal prosecution.
4. You must follow the policies and procedures established by New York State for the use of this credit card. Failure to do so may result in revocation of your user privileges or other disciplinary action, which could include termination of employment.
